Response to Motion to Dismiss  
Request to file extension of time

Your honor, I would like to file for an extension of time in order to provide all evidence in which was requested as well as documents proving my case all the way up until the current date, I had been out of the office in which my mail is being held due to my daughter going into labor one month earlier than expected, needing a C-section and needing assistance as well as complications with my grandson. I did not receive my mail which included the notice for dismissal I would like to be able to provide my evidence to show that I followed all the necessary steps to get help as well as provide evidence of the on going and continuing harassment to this current date.
